

## **GOLDEN VOICES**

A FILM BY: EVGENY RUMAN

### ***Logline -***

An elderly couple of legendary film dubbing artists from Soviet Union immigrates to Israel in 1990 and looks for a way to use their talent in a country that doesn't need it.

### ***Synopsis -***

Victor and Raya Frenkel were the golden voices of the Soviet film dubbing for decades. All the western movies that reached Soviet screens were dubbed by them. In 1990, with the collapse of Soviet Union, the Frenkels decided to do Aliyah – immigrate to Israel, just like hundreds of thousands of Soviet Jews.

There's no need in Israel for Russian speaking dubbing artists, and Victor's and Raya's attempts to use their talent will cause bizarre and unexpected events during their first months in Israel, and turn the beginning of the new chapter of their life into an amusing, painful, and absurd experience.
